General Manager

Looking for experienced, enthusiastic individuals who are looking to make an impact in their workplace. Friendly individuals who enjoy a fast-paced work environment and enjoy the service industry. The successful candidate will have a background in fast food, be knowledgeable of restaurant operations, and be a working manager prepared to work with, and alongside subordinate staff to ensure that standards, policies and procedures are properly upheld and operations run flawlessly. A flexible schedule is required for this position, days, nights, weekend shifts and some holidays are required.

Compensation: Will be negotiated when a position is offered.

Server / Host

We are looking to build a experienced server team to create the perfect service experience. We are all about authenticity and creativity in Asian food. So if you interested about Asian food and you love people and love serving people, we want to meet you. The qualified candidate will also need to be tech savvy and gain a mastery over the POS computer system (so experience with such systems will be a major bonus). We have open positions on both server and host. Full time / Part time .

Compensation: Will be negotiated when a position is offered.

Take Out Stuff and Delivery Driver

We are looking for an articulate individual with experience in the food service industry (either front or back-of-the-house) to: answer phones/handle walk-ins and take orders for either pick-up or delivery; to prepare some food items and maintain responsibility for preparing some base items; to assist other members of the kitchen staff to relieve pressure during rushes; to provide excellent customer service while maintaining patience/exhibiting "grace-under-fire;" and be occasionally tasked with the responsibility of overseeing the execution of large-scale orders while maintaining positive professional relationships with some frequent large-scale customers. Attention to detail is a must!

The qualified candidate will also need to be tech savvy and gain a mastery over the POS computer system (so experience with such systems will be a major bonus).

A valid driver's license and current registration is required. Experience preferred.

Compensation: Will be negotiated when a position is offered.
